-TOOLS REQUIRED-

Metric Socket Set • Combination Wrench Set • Metric Allen Wrench Set

-REMOVAL-

- 1. Remove passenger seat.**
- 2. Remove rear frame cover to access license plate light wires. Refer to Factory Service Manual or Owners Manual for proper disassembly.**
- 3. Disconnect license plate light wires.**
- 4. Remove the (4) bolts securing the stock fender assembly.**
- 5. Carefully remove stock fender assembly.**
- 6. Cut the stock license plate light connector from the stock fender assembly. Be sure to cut at least a 6" section of wire from the connector.**

-INSTALLATION-

- 1. Install Yoshimura fender eliminator bracket using stock bolts. See diagram for proper orientation.**
- 2. Install Yoshimura LED Fender Eliminator Light to license plate bracket.**
- 3. Assemble and install Yoshimura license plate frame and license plate bracket onto fender eliminator bracket using stock bolts and hardware provided in the kit. See diagram for orientation.**
- 4. Using the connectors provided in the kit, connect the Yoshimura Fender Eliminator wires to the stock license plate light as follows: Red wire goes to Brown; Black wire goes to Black/White wire.**
 - A) Strip the stock fender light wires ends ¼" - ½" and insert into BN-SSS-22-18, butt connectors provided in the kit.**
 - B) Center the spliced wire ends in the middle and using a heat gun or lighter, apply heat evenly on the outer edges of the butt connector to shrink and hold wires in place.**
 - C) Making sure that the stripped ends are centered, heat the center of the butt connector evenly until the solder begins to liquify.**
 - D) Allow to cool completely and tug both ends of the wires to verify that connection is secured.**

Scan for link to butt connector instruction video.

- 5. Route wires underneath passenger seat and reconnect license plate light wires.**
- 6. Re-install rear frame cover using the reverse steps of removal.**
- 7. Re-install passenger seat.**

8. Check for function of license plate light and that all brackets and components are secure prior to riding.
