#### **Down & In**

Turn signal mounted low and narrow.

The Yoshimura Universal Turn Signal Brackets are to be used with aftermarket turn signals and can be installed using four different configurations. To prevent damage to turn signals, verify that the exhaust gases are not directed toward the turn signals. Yoshimura R&D of America, Inc. is not liable or responsible for any resulting event caused by the installation of this product. Check with local laws and regulations for compliance prior to installation and use.
