***	070BGUNVTBKT	Universal Turn Signal Bracket Kit	

-TOOLS REQUIRED-

Metric Socket Set • Combination Wrench Set • Metric Allen Wrench Set

-REMOVAL-

- 1. Remove passenger and rider seat and disconnect the license plate light, turn signals, and tail light connectors.***
- 2. Remove tail and cowl section.***
- 3. Remove rear seat locking assembly.***
- 4. Remove fairing cross-plate bracket by removing the (4) allen bolts and (4) screws.***
- 5. Remove ECU from tray. DO NOT DISCONNECT ECU.***
- 6. Remove the (3) push tabs securing the tray in place and lift tray to access the (4) fairing bolts.***
- 7. Remove the stock fender by removing the (4) bolts.***
- 8. Remove stock turn signals from stock fender assembly.***
- 9. Cut the stock license plate light connector from the stock fender. BE SURE TO CUT AT LEAST A 6" SECTION OF WIRE FROM THE CONNECTOR.***

-INSTALLATION-

- 1. Install Yoshimura LED license plate light onto Yoshimura license plate bracket using the (2) 4mm screws provided in the kit. See diagram for proper orientation.***
- 2. Using the connectors provided in the kit, connect the Yoshimura LED license plate light wires to the stock license plate light connector as follows: Red wire goes to White wire; Black wire goes to Black w/ White stripe. (For 2011-2015 Models, Red wire goes to Blue w/ Red Stripe; Black wire goes to Black.)***
- 3. Install Yoshimura Fender Eliminator kit as shown in the parts diagram. Note the order of components mounted to the subframe; the Yoshimura Fender Bracket plate fits between the stock tail and the Yoshimura License Plate Bracket.***
- 4. Install stock turn signals onto Yoshimura turn signal brackets using the reverse steps of removal.***
- 5. Route wiring through hole in bracket, then through tail section to stock location. Connect license plate light connector to stock harness. Use zip ties to secure license plate light wires.***
- 6. Re-install all components opposite of removal.***
- 7. Check for function of license plate light and that all brackets and pieces are secure prior to riding.***
