

WARNING!

THIS PRODUCT IS INTENDED FOR USE ONLY IN CLOSED COURSE RACING OR OTHER OFF ROAD COMPETITION AND NEVER ON PUBLIC ROADS OR HIGHWAYS

WARRANTY DISCLAIMER

By purchasing the Yoshimura Peripheral Interface Module 2 (hereafter referred to as "PIM2") the buyer/user acknowledges and agrees: (1) that the PIM2 is intended solely for closed course racing or other off road competition and never for use on public streets or roadways; (2) that the PIM2 is not a safety device; (3) that the adjustments to the vehicle made possible by the PIM2 (including increased engine power) will not prevent accidents or loss of control by the rider; (4) that the PIM2 will be installed only by qualified technicians and if the unit is improperly installed or adjusted it may result in vehicle damage or decreased performance; (5) to immediately shut off the engine and consult a qualified technician if the engine does not run properly; (6) that all warranties are disclaimed whether express or implied including those for merchantability and fitness for a particular purpose; (7) that the PIM2 unit is received as a "new" product only to the original purchaser and provides no warranty other than for its intended use and function; (8) that any existing manufacturer vehicle and/or engine warranties may be voided by use of the PIM2; (9) that Yoshimura R&D of America, Inc. is released from any and all liability therefore; (10) that no agent or employee of Yoshimura R&D of America, Inc. is authorized to waive or modify this disclaimer. Buyer/user further agrees to assume the risk of all injury or damage (personal or property) including death arising out of the use of the PIM2 and also agrees to fully and completely release Yoshimura R&D of America, Inc. from all liability arising out of the purchase and use of the PIM2 including harm caused by the negligence of Yoshimura R&D of America, Inc.
